

Re: LK1900HSX74210/MC590D

We are pleased to announce that LK1900HSX74210/MC590D equipped with a double capacity shuttle hook is now available. Double capacity hook reduces the frequency of bobbin thread changes, especially helpful with lower count threads.

MAIN FEATURES:

Model name: LK1900HSX74210/MC590D (Base model: LK1900HS/MC590D)

Hook: Double-capacity shuttle hook

Sewing speed: 2500 rpm

For more information, please contact our sales representatives.

Sincerely yours,
JUKI UNION SPECIAL, INC.
